

**SRI DEVARAJ URS ACADEMY OF HIGHER
EDUCATION AND RESEARCH, TAMAKA,
KOLAR - 563 103**

**BROCHURE
FOR ADMISSION TO UNDERGRADUATE
(M.B.B.S.) COURSE FOR THE ACADEMIC YEAR
2016 - 17**

INTRODUCTION

Pursuant to the directions dated 11th April, 6th May and 9th May 2016 in No.261/2015-16 of the Hon'ble Supreme Court of India, Sri Devaraj Urs Academy of Higher Education and Research (SDUAHER), a Deemed to be University, Kolar has decided to conduct seat selection and counseling process based on National Eligibility Cum Entrance Test (NEET) - 2016 results of CBSE for admission to undergraduate (MBBS) course for the academic year 2016-17. Accordingly, the university has decided to call for applications from candidates who have been declared eligible in the NEET - 2016 examination conducted by CBSE.

This Brochure provides information as to how and what the candidates have to follow as procedure for filling up the online application form, eligibility criteria, eligibility to participate in seat selection process, mandatory certificates / documents to be produced, seat matrix, fee structure etc.

Applicants are required to read this brochure thoroughly, so as to familiarize themselves before filling up the online application form and adhere to the instructions and procedures strictly. Further, SDUAHER's website www.sduu.ac.in provides information and current updates / alerts with regard to the admission process for MBBS course for the year 2016 - 17. The Website of the university is updated regularly and SDUAHER suggests all applicants to visit the same frequently for relevant information and updates.

About the University

Sri Devaraj Urs Academy of Higher Education and Research comprising Sri Devaraj Urs Medical College under the aegis of Sri Devaraj Urs Educational Trust for Backward Classes, Kolar, is a Deemed to be University declared under section 3 of UGC Act, 1956, vide Notification No.F.9-36/2006-U.3 (A) Dt. 25th May 2007, MHRD, Government of India.

Currently, the deemed to be university has two faculties of studies viz., Faculty of Medicine and Faculty of Allied Health Sciences. The university administrative office, the Medical College and the departments under Faculty of Allied Health are located at Tamaka Village, Kolar and spread over almost 72 acres of lush green campus. This campus is around 75 Kms. away from Bengaluru city and the Kempegowda International Airport, Bengaluru. The lush green campus has several buildings to accommodate the college, 1200 bedded teaching/training hospital, hostel facilities, administrative offices, departments under Allied Health Faculty, ancillary facilities etc. with a total built up area of over 1,20,000 Sqmts.

The Sri Devaraj Urs Medical College conducts courses at Under Graduate (MBBS), Post Graduate Degree (MD, MS) and Post Graduate Diploma levels. It has also started Doctoral programs in Biochemistry, Microbiology, Pathology and Post-Doctoral Fellowship programs in Head and Neck Surgical Oncology. The Academy has follows regulations, curricula /syllabi for MBBS, Postgraduate M.D/M.S and Postgraduate Diploma courses as prescribed by the Medical Council of India. All the courses offered are recognized by the Medical Council of India, New Delhi. The MBBS degree of the university is also recognized by the Malaysia Medical Council since the academic year 2009-10 and several students from Malaysia have graduated and many of students are also currently pursuing MBBS course.

The university has established Faculty of Allied Health Sciences and has five teaching departments under this faculty. The courses offered are B.Sc. in Operation Theatre Technology, Imaging Technology, Medical Laboratory Technology, Ophthalmic Technology, M.Sc. in Medical Laboratory Technology, M.Sc. in Molecular Biology and Human Genetics, Postgraduate Diploma in Genomic Technology, M.Phil. in Molecular Cell Biology and Medical Genetics, Masters in Public Health and Ph.D. program in Molecular Biology and Cytogenetics.

The attached teaching hospital of the Medical College, R.L.Jalappa Hospital and Research Centre provides secondary and tertiary health care to the rural and urban population of the Kolar District and bordering areas of the neighboring states of Andhra Pradesh and Tamil Nadu. The Hospital serves the victims of accidents on the highway and it has a well-equipped Trauma Centre, ICU, CT and MRI facilities with the mandate to develop trained manpower to cater to the health care needs of the community and to provide services to the rural population. The university conducts regular outreach services to the needy through free medical camps.

The university has initiated several steps for the improvement of quality of research activities and has established linkages with premier institutions. The Genomic and Central Research Facilities of the University have objectives envisaged which includes diagnostics and research aspects of genetic disorders. The Centre consists of highly sophisticated equipment for cytogenetic and molecular diagnosis. This facility is a boon to the faculty and the students who have flair for genomic research. The genomic research facility of the university has been recognized by ICMR as a Training Centre for medical teachers and scientists engaged in research.

VISION:

“UNIVERSITY OF EXCELLENCE - KNOWLEDGE FOR POSTERITY”

MISSION:

- 1) To be a global center of excellence for Teaching, Training and Research in the field of Higher education.
- 2) To inculcate scientific temper, research attitude and social accountability amongst faculty and students.
- 3) To promote with value based education for the overall personality development and leadership qualities to serve the humanity.

OBJECTIVES:

SRI DEVARAJ URS MEDICAL COLLEGE

Sri Devaraj Urs Educational Trust for backward classes started this pioneer Medical College in the year 1986, to fulfill its objectives and successfully transformed it into a Deemed to be University in the year 2007. The College is situated at Tamaka village (abutting National Highway No.4), 5 K.M from Kolar Town, Karnataka. Kolar is well connected by road, rail and air due its proximity to Bengaluru, which is around 75 Kms. away. The nearest Railway Junction, Bangarpet is 15 K.M away from Kolar.

VISON: To become an Institution of excellence in the field of Medical education with continued improvement of Systems and Processes”

QUALITY OBJECTIVES

“To provide need based infrastructure and facilities to students to become excellent Doctors”

“To ensure that faculty is highly qualified, dedicated and motivated by providing faculty development programs for their academic skills and personality development”.

MOTTO:

“sarve janah swasthaa bhavantu”

The Medical Council of India granted recognition for the Undergraduate Course in its very first Inspection in the year 1992, which shows the commitment of The Trust & Faculty, in imparting Quality Medical Education. Post Graduate Degree Courses and Diploma Courses are being offered since 1997 in various Pre, Para and Clinical subjects and the degrees awarded are recognized by Medical Council of India.

The location of this unitary campus with Collage, Hospital, Hostels and other facilities, is 250 ft. above the sea level and enjoys salubrious and pleasant weather throughout the year. The campus occupies almost 72 acres of land covered with

greenery and is pollution free. All the areas / buildings of the campus are well connected and well lit.

The inmates are protected round the clock by vigilant security personnel. The college offers unique professional, cultural and recreational opportunities in a serene and cordial environment. The hallmark of the college is the excellent discipline and inculcation of moral values among the students.

The college maintains high standard in Teaching, Training and Evaluation processes as evidenced by the high pass percentage with a substantial number of students securing Gold Medals/Distinctions/First Classes, in the University examinations, and is a testimony to the efforts of the dedicated faculty. The college announces academic calendar during the start of every academic year and ensure that the academic programs are held timely.

The College has Qualified and Experienced faculty and each department is staffed as per MCI norms. The lecture galleries and seminar halls of each department are well ventilated and equipped with latest audio-visual aids. The Library is spacious and well stacked with textbooks reference books, National and International Journals. Printing, Scanning and Photocopying facilities are also available. The Digital Library has a good number of computers with internet and medical database facilities. The Medical College has three auditoria with seating capacities of 1100, 400 and 300 for conducting Conferences, Seminars, Symposia, Workshops and Continuing Medical Education Programs.

To aid the learning processes there are Museums of Anatomy, Pathology, pharmacology and Forensic Medicine. The Department of Anatomy has a well-stocked Cadaver Bank. The dissection hall is well designed. The modern laboratories of Physiology, Biochemistry, Microbiology and Pathology, Pharmacology and Community Medicine fulfill the needs of students. All these departments conduct Post Graduate courses (M.D.) and have the best facilities for Teaching and training. The Pathology

department has set up a new immunohistochemistry laboratory. The department of Forensic Medicine has been provided with a well-designed modern mortuary having cold storage facility and autopsy tables. It also has toxicology laboratory. Community Medicine department serves the community needs by actively involving and organizing health camps in remote villages of Kolar District.

Research is part of the curriculum for the PG students. All the Departments are actively engaged in research with periodic appraisals and audit. The faculties are also actively engaged in research. The research findings are published in National and Foreign journals. The College provides opportunities for the undergraduate students to engage in research and several students have been successful to bag ICMR - STS research projects

The vast college campus provides adequate and comfortable Hostel accommodation. The canteens, cafeteria, bakery, consumer co-operative society, laundry, STD/ISD booths, ATM and other such facilities take care of the day-to-day needs of the students and staff. The staff is provided with in-campus accommodation and their presence in the campus creates a homely atmosphere. Various guest houses accommodate visiting dignitaries, examiners, parents and alumni.

The students are encouraged to participate in co-curricular and extra-curricular activities. The university has active NSS and YRC units. It provides all necessary infrastructure for extracurricular activities which include playgrounds; well-equipped indoor sports complex with high-tech multi-gym. etc. Students practice under the supervision of Physical Director and Instructors. Alumni and Parent-Teacher Associations are active with their valuable suggestions and contributions.
